

Round Table Debate

From Growth to Sustainable and Inclusive Development: A Shift in Paradigm

In recent years the development debate has witnessed a paradigm shift, away from purely growth-oriented policies to broader concepts of sustainable and inclusive development. This debate, bringing together academics and practitioners from International Organizations, inquires in how far this paradigm shift has already materialized in different development concepts and policies.

Thursday, 13 November 2014 - 16:15 - 19:00 (followed by a cocktail)
University of Bern - (Hauptgebäude), Hochschulstrasse 4, 3012 Bern, Kuppelraum
